Yesbit Content Bounty Program:

The Yesbit DApp was launched in January of 2019. In order to speed up our marketing efforts and let more users gain experience with our product, we will launch the Yesbit content bounty program on March 1st, 2019.

Content-Bounty Details:

When you post positive content related to Yesbit on the following platforms, and reach the necessary engagement requirements, you will receive a bounty reward for your post! If your preferred platform/forum isn't listed here then please contact support@yesit.ca to confirm the bounty incentive for that specific platform.

Content-Bounty Rules:

1. The Yesbit bounty program is valid from March 1st, 2019 to March 31st, 2019

2. Please submit all bounty contributions before April 1st to support@yesbit.ca. Our staff will review all relevant materials within one business day and contact you with details on how to claim your reward.

3. After the whole bounty program is complete, we will rank users based on the total number of engagements their posts received. The top 5 will receive an additional surprise reward from Yesbit's CEO and receive Yesbit's Super Node status along with the subsequent benefits this gives users on our platform.

4. The evaluation of all bounty articles will be done by Yesbit. If cheating, or the misrepresentation of information is detected, then the subsequent reward will be cancelled.

5. We will continue to introduce other lucrative bounty programs, so stay tuned!
